

Ambassador presentations

On Wednesday after school our Ambassadors gave individual presentations to our staff about themselves, their hobbies and interests as well “if you could be a car which one would you be and why?”

Presenting in front of large groups of people can be a challenge for adults at times but this fine group of young people did themselves proud and demonstrated their genuine capacity to step out of their comfort zone.

“I wanted to be an Ambassador since I started THS in Year 7 and looked up to the students who did the role then.”

“As soon as I started THS, I felt supported and valued”

“I want every student in school to be comfortable talking”

“I am doing a Youth Leadership Course with the Scouts which will help me in this role”

“I want to help make the transition from primary to THS as easy as possible”

“I'm proud to represent THS as an Ambassador”

“I want to make a difference in my last year of THS”

These young people are dancers, musicians, cadets, sportsmen and sportswomen, young leaders (both in school and in the community), have completed Exmoor Challenge, Ten Tors, starred in major productions.....and on top of it all, they give 100% in the classroom to be all they can be academically. We are sure that they will help to lead our school community admirably in the coming 12 months.

Sammy Crook, Head Teacher

End of Year Exams – Year 9

We have started our summer exam season this year with the end of year exams for Year 9 and haven't they done themselves proud! These in-house tests are set and marked by teachers and are supervised by a mix of external invigilators (drawn from our GCSE invigilation team) and THS teaching staff. Everyone has remarked on how well they have conducted themselves. They have embraced the process with a maturity beyond their years and should be very proud of themselves. We hope they are pleased with their results. They will be told their results in lessons in a few weeks' time.

Parents will be able to see the results in their child's next school report. The results of these exams will also be used to help inform decisions about any gaps in students' knowledge and how best to support them in their learning over the next two years as they progress towards their GCSE exams in 2019.

Liz Ford, Exams Manager

Music Success

The music department are extremely proud of Betsy-May White and Izzy Sharpe, who both gained a distinction in their Grade 1 piano exam. Well done girls!

Well done to our dedicated Year 11s

We have witnessed some fantastic attendance at our Year 11 revision sessions, with 102 students attending at least one session this week which is 43% of the Year 11 cohort. The percentage of spotlight students attending one or more sessions is 47%.

A special well done goes to our highest attending students Finlay May Smith and George Stone who attended 6 sessions each, and Meg Broadhurst, Josh Goodwin, Aaron Long and James Onley-Gregson who attended 5.

Well done to everyone who attended – keep it up!

REMEMBER
High awareness
+ high action
= exam success

CAREERS COLLEGE WORKSHOPS (YEAR 9 AND YEAR 10 STUDENTS)

PETROC
COLLEGE OF FURTHER
& HIGHER EDUCATION

THIS IS YOUR FUTURE, CHOOSE WORKSHOPS TO SUIT YOU!

Art and Design	Electrical Installations*	Plumbing*
Carpentry & Joinery*	Engineering the future*	The Apprentice

- Click on school area and pupil login on the right hand side
- Enter School area – the password will be either:
Year 9 students - THSYear9
Year 10 students - THSYear10
- Consider all the workshops, choose your top three, of which you will do two
- You will get an email confirmation of your chosen workshops – print this off or make a note of it so you don't forget what you have picked!

*Appropriate old clothes and closed toe shoes, or sports kit will be needed for these courses.

EXETER COLLEGE DISCOVERY DAY (YEAR 10 STUDENTS ONLY)

Dear Student,

We would like to invite you to our Exeter College Discovery Day on 4th July. We hope that this will give you a real taste of college life by visiting our facilities and taking part in A Level, IB or vocational lessons.

You will have the opportunity to spend the day at our main Hele Road site, where you can choose two taster subjects from a wide range of A Level and vocational options from our Art and Design; Business and IT; English, Languages and the International Baccalaureate; Hair and Beauty; Healthcare, Childcare and Public Services; Hospitality and Catering; Humanities; Maths and Science; Media and Performing Arts; and Sport, Travel and Tourism facilities.

Alternatively, you can choose to spend the day at one of our specialist sites sampling lessons from one of: Engineering, Aerospace and Automotive; Construction; or Outdoor Adventure.

For a full list of our taster sessions, and to book your chosen sessions, you will need to visit our online booking site here: <https://www.exe-coll.ac.uk/DiscoveryDay/4July>

Please complete your booking before Wednesday 10th May

We recommend that you spend some time researching our different subject areas on the college website: www.exe-coll.ac.uk to help inform your choices and make the most of your visit to Exeter College. Consider which subjects you would like to find out more about, and what you might choose to study at college, and try not to be influenced by your friends' selections. It is important that you choose carefully, as once you have made your selection you will not be able to make changes.

We hope that this day will help to inform your post 16 choices and give you a comprehensive introduction to a college environment.

Kind regards,

Alex Emma Tom Caroline Candice Angela
