

YOU'RE INVITED TO...
NCS PARENT'S EVENING

Dear Parent/Carer,

We are excited to be working with your teenager's school this year to deliver an unforgettable summer experience for students in both Year 11 and 12.

The NCS programme offers young people, aged 16-17, a once in a lifetime opportunity to do something meaningful with their summer break, as well as a chance to develop skills and take on new challenges that will set them up for adult life. They'll also do something good for their local community, carrying out a project to support a cause they care about. We've seen first-hand what an amazing feeling of accomplishment and increased confidence this brings, and we look forward to giving students the opportunity to do the same this summer.

Normally, NCS would be present at your teenager's parent's evenings to tell you all about the programme, but, as you can imagine, this year is a bit different.

Activate, your local NCS provider, will be running an NCS Parent's Evening on the following dates. So, whether you've signed up and want more information, or you're still thinking about it- you are invited to join us!

Wednesday 7th April, 6pm-7pm

Monday 12th April, 6pm – 7pm

To book, please click [here](#).

*Alternatively, to book manually, please contact: E: ncs@we-activate.co.uk / T: 07458 302223

We will be running through the programme details, available dates, costing and of course COVID safety information. For those who book on, we'll send out a link in advance. At the end of the session, we'll welcome any questions that you may have.

We look forward to welcoming your teenager on NCS this summer and talking to you soon.

Warm wishes,
