## YEAR 8 & 9 ONLY

**Cost: £988**

**This is a 5 day/ 4 night RESIDENTIAL**

<b>Group Leader:</b>	<b>Mr Hallett (Geography)</b>
<b>Venue:</b>	<b>Reykjavik</b>
<b>Places:</b>	<b>40</b>
<b>Year Groups:</b>	<b>Years 8 &amp; 9 ONLY</b>

### **Details of Activity:**

This is a fully guided tour to Iceland including coach transfer and flights, staying in a hotel in the capital Reykjavik on a full board basis. Students travel from THS to Iceland on Sunday evening 16<sup>th</sup> July for a Monday morning flight, via Luton Airport with EasyJet or Icelandair (TBC nearer the time). Each day will involve coach trips around Iceland, taking in the amazing geography and geology of the island. This will include visiting the world-famous Geyser, Gullfoss, Europe's most powerful waterfall, a walk between two tectonic plates and hopefully a visit to an active volcano. There will also be an opportunity to visit the capital to buy some souvenirs of the trip. On Thursday 20<sup>th</sup> July students will travel by plane and coach to return to Tiverton late that evening.

### **Student Requirements:**

Students will need to be prepared for plenty of walking, although coach travel will be provided to transport the group around Iceland to the various sites. They will need to come prepared for all weathers, as July in Iceland can be beautifully warm and sunny or cold and wet. Therefore, essentials include waterproof jacket and trousers and waterproof walking boots/wellies. A valid passport and visa (if applicable) and a suitable amount of Icelandic Krona for spending money.

This is a once in a lifetime experience that we are very excited to be able to offer to students. It will be particularly suitable for those taking GCSE Geography, as it will bring to life so much of what students study.

**In order to secure the trip with the tour operator, we require a minimum of 30 students to pay an initial deposit of £230 by Monday 31<sup>st</sup> October 2022, please note this is an earlier deposit deadline to other residentials. The tour operator requires a further £70 to be paid by 31<sup>st</sup> December 2022.**

If you would like your child to take part, please email [aw@tiverton.devon.sch.uk](mailto:aw@tiverton.devon.sch.uk) stating the child's name and request to go on the Iceland residential. The deposit will then be set up on the School Gateway, or alternately bring cash or cheque (made payable to DCC) to the account's office on Monday 31<sup>st</sup> October. The final balance must be paid by the 31<sup>st</sup> May 2023.

Please note, by paying the deposit does not guarantee your child's place. You are still required to complete the electronic choices form, selecting Iceland as your first choice, along with a second and third choice, so we can allocate another activity should you be unsuccessful. The deposit will be refunded or transferred to another trip available for Activities Week.
